

# UTG ABC ALPHA BATTLE CARRIER SLING PACK OWNER'S MANUAL

## RIGHT HANDED USERS - QUICK PULL AND DEPLOYMENT SETUP

1 Remove Center Divider and place only one firearm as shown above.

2 Open the barrel catch pocket and insert the firearm's barrel into it.

3 Remove the hook-and-loop strap used to secure the rear-end of the firearm.

4 Place the removed hook-and-loop strap onto the patch of the opposite barrel catch pocket and secure the rear-end of the firearm.

5 Unfold and extend the Quick Pull Tab closest to the rear-end of the firearm, the one that is farthest away from the spine as shown above. Tuck away the remaining 3 Quick Pull Tabs.

6 Zip the pack close leaving the extended Quick Pull Tab sticking out of the pack. Make sure the orientation of the firearm remains the same and does not flip over. Make adjustments to the shoulder strap positioning if needed.

## RIGHT HANDED USERS - OVER SHOULDER DEPLOYMENT

1 Grab the top carry handle above the shoulder with your left hand and pull forward and down across the chest. Use your right hand simultaneously to push the pack up from the bottom if needed.

2 With your left hand, pull the pull tab outward and away to open the sling pack, while simultaneously holding the bottom carry handle with your right hand.

3 Once the pack is opened enough to grip the firearm, use your right hand to safely grip and pull the firearm out of the pack. Keep finger off the trigger and maintain safe muzzle discipline.

## RIGHT HANDED USERS - UNDER ARM DEPLOYMENT

1 Grab the bottom carry handle with your left hand and pull forward from behind the waist, transitioning to the right hand and continue to pull pack across the chest.

2 With your left hand, pull the pull tab outward and away to open the sling pack, while simultaneously holding the bottom carry handle with your right hand.

3 Once the pack is opened enough to grip the firearm, use your right hand to safely grip and pull the firearm out of the pack. Keep finger off the trigger and maintain safe muzzle discipline.
